NEWSPAPERS.

(I.) *Inland.*

By the "Post Office Act, 1870," the use of the Inland Revenue impressed stamp denoting the stamp duty, under which Newspapers and other periodicals had been previously transmissable by post within the United Kingdom, was abolished and a postage of one halfpenny was fixed for each transmission of any Newspaper coming within the definition laid down in the Act.

Inland Newspapers are subject to the following regulations:—

1st. To have the privilege of passing as a Newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a Register at the General Post Office;* from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper.

Registration for inland circulation includes registration for transmission abroad.

2d. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.

3d. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and date of publication at the top of every subsequent page; and this regulation applies to "Tables of Contents" and "Indices."

4th. A supplement must be unstitched, must in every case be published with the Newspaper, and must have the title and the

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkneys, Shetland, Scilly, and Channel Islands.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

date of publication of the Newspaper printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of sheet or side.

5th. For each Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny; but a packet containing two or more registered Newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one half-penny for every 2 oz. or fraction of 2 oz.

6th. A Newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.

7th. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

8th. No Newspaper can be sent through the post a second time for the original postage. For each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.

9th. Every Newspaper, or packet of Newspapers, must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.

10th. Every Newspaper must be so folded as to admit of the title being readily inspected.

11th. A Newspaper, whether posted singly or in a packet, which contains any enclosures except the supplement or supplements belonging to it, will be charged as a letter, unless the enclosure be such as might be sent at the Book-rate of Postage and the entire packet be sufficiently prepaid as a book packet, in which case it may be allowed to pass.

12th. A Newspaper which has any letter, or any communication of the nature of a letter, written in it, or upon its cover, will be charged as an unpaid or insufficiently paid letter.

13th. No Packet of Newspapers must exceed 14 lbs. in weight, nor may it exceed two feet in length or one foot in width or depth.

III.—POSTAGE STAMPS.

Every Head Postmaster is required to keep, for sale to the public, a sufficient stock of Post Cards, of the various postage labels in use, and of envelopes with the penny stamp embossed. The labels are of the respective values of ½d, 1d, 1½d, 2d, 2½d, 3d, 4d, 6d, 8d, 9d, 10d, 1s, 2s, and 5s. Also Telegraph Stamps at 1d, 3d, 4d, 6d, 1s, 3s, 5s, £1, and £5, and Books containing 20 Stamped Forms at £1 2d. Sub-Postmasters are required to keep halfpenny and penny labels, and Post Cards only; but they can procure any stamps of other values, or embossed envelope which may be required. The envelopes are made of four sizes, viz., 4¾ ins. by 3 11-16th ins. (square shape), 5¼ ins. by 3⅜ ins., 5¼ ins. by 3 ins., and 4¾ ins. by 2⅜ ins. The square shape is sold at the following prices:—£1 2s 6d per 240, 1 for 1¼d, 3 for 3¼d, 4 for 4½d, and 24 for 2s 3d. Other sizes at 2s 2d per packet of 24.

* The conditions of admission to the Register may be ascertained on application to the Secretary of the Post Office.

Embossed Register Envelopes are sold by all Postmasters at 2½d. each or 2s 2½d per doz.

The newspaper wrappers are sold at the following prices :—1 for ½d, 2 for 1¼d, 3 for 1¾d, 4 for 2¼d, 5 for 3d, 6 for 3½d, 7 for 4d, 8 for 4½d.

Inland Post Cards are sold at the following prices :—Stout Cards, 1 for ½d, 2 for 1½d, 3 for 2d, 4 for 2¾d, 5 for 3½d, 6 for 4d. Thin Cards, 1 for ½d, 2 for 1¼d, 3 for 1¾d, 4 for 2½d, 5 for 3d, 6 for 3½d.

Foreign Post Cards are sold at the rate of 1½d each.

Printed Votes or Proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of one halfpenny for 2 oz. or fraction of that weight.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet, otherwise it will be treated as an ordinary Book Packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only will be charged.

Parliamentary proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a book post.

Book Post.—(1.) *Inland.*

A Book-Packet may contain not only books, paper, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter or communication of the nature of a letter), Photographs, when not on glass or in frames containing glass or any like substance, and anything usually appertaining to such articles in the way of binding and mounting necessary for their safe transmission by post, but also *Circulars,—i.e.*, letters which appear from internal evidence to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved or lithographed.

1st. The postage is one halfpenny for every two ozs. or fraction of that weight.

2d. The postage must be prepaid either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two; except at the Chief and District Post Offices and the Branch Offices at Lombard Street, and Charing Cross in London, and the Chief Offices in Edinburgh and in Dublin, where, from 10 a.m. till 4 p.m., it may be prepaid in money, provided the postage amount to not less than £1 in any one case, and provided the packets are posted, in bundles, each representing a postage of 5s.

3d. A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.

4th. Every book-packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination,* otherwise it will be treated as a letter.

5th. A book-packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter or not wholly printed, nor any enclosure

sealed or in any way closed against inspection, nor any other enclosure not allowed by section 9. (Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.) If this rule be infringed the entire packet will be charged as a letter. †

6th. No book-packet may exceed 5 lbs. in weight, or one foot six inches in length, nine inches in width, and six inches in depth.

Post Cards, which bear a halfpenny impressed stamp, are available for transmission between places in the United Kingdom only.

1st. The front or stamped side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed; but such communication must not extend to the front side. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d. on delivery.

2d. No Card other than one of those issued by the Government will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

General Regulations.

When, owing to an unusual and great influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets and post cards may be kept back until the next despatch or delivery.

It is forbidden to put forward by post any indecent or obscene print, paintings, photographs, lithograph, engraving, book or card or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any other words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Any thing posted contrary to this prohibition will be stopped and sent to the Returned Letter Office.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are examples of the articles referred to :—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders, or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion.

*In order to secure the return of book packets which cannot be delivered, the name and address of the senders should be printed or written outside thus, "From ——, of ——."

†It is the duty of the Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book-packets posted at, or passing through, their offices

FACTS WORTH KNOWING.

GREENOCK, 18th FEBRUARY, 1878.

P. DEVLIN, ESQ.,
Wine and Spirit Merchant.

DEAR SIR,

I have carefully analysed the Sample of Whisky which I received from you. It is 9·3 % over proof. It is entirely free from adulteration, deleterious matter, or anything injurious to health. It is therefore genuine Whisky, and of good quality.

Yours truly,

G. C. STEWART,
Analytical and Consulting Chemist.

GREENOCK, 20th FEBRUARY, 1878.

PATRICK DEVLIN, ESQ.,
3 Market Street.

DEAR SIR,

I have carefully analysed the Sample of Smithfield Stout which I received from you. The amount of nourishment which it contains is satisfactory. The temperature of this Stout is 51° F., and its quality renders it specially suitable for invalids.

Yours truly,

G. C. STEWART,
Analytical and Consulting Chemist.

GRAIN ROLLING & COFFEE ROASTING WORKS.

A FRENCH Scientific Gentleman, who has directed his attention to the subject of Coffee Roasting, says :—"I have found that Coffee is better roasted, and more of the aroma retained, when a double cylinder is used—the air between the interior and exterior cylinders acting as a non-conductor of heat. It is done more uniformly, while the essential oil on which the aroma depends is less liable to be dispersed than when exposed to the fierce heat of a fire in a single cylinder."

In the double rotatory globular method of roasting as practised at Mr MINTO's Works, Græme Street, Glasgow, the above principle is acted upon, inasmuch as the globe (which has superseded the cylinder since the application of steam power to this branch) revolves in a medium of heated air, which experience has shown best prevents the dispersion of the essential oil or aroma.

FINLAY M'DIARMID,

WHO was upwards of twenty years in the service of Messrs J. & R. TENNENT, WELLPARK BREWERY, Glasgow, begs to inform his Friends and the Public that, as Messrs TENNENT bottle only for exportation, he has opened those extensive Premises at 44 RENFREW STREET, called the CITY OF GLASGOW BOTTLING STORES, for the Bottling of their world-famed Pale Ale and Stout, for home use; and from his knowledge and long experience, he trusts soon to make this brand as popular at home as it has so long been abroad. To ensure the public getting their liquors genuine, as bottled by him, a Patent Capsule is put on each bottle.

All who have travelled abroad know that the Messrs TENNENT'S Beer and Stout are preferred to any other, and it is to make the Red T brand as well known in Glasgow as it is in Asia, Africa, and America, that F. M'D. has ventured upon this undertaking.

The Stores are fitted up on the most approved principle, having great facilities for cleanliness, and an apparatus for keeping an even temperature in the coldest weather, so that parties can depend on getting their Beer in rare condition at all seasons.

REVOLUTION IN THE FAMILY TRADE.

Expense of Bottling Saved.

BEER AND STOUT ON DRAUGHT WITHOUT WASTE.

To those who prefer it on Draught, F. M'D. supplies neat Stoneware Casks, containing 4½ gallons, fitted with Lock Taps and Elastic Vents, specially made for family use. The demand for these casks has been quite unprecedented, owing to their convenient size and cleanliness, and being air-tight, the liquor is drawn off in splendid condition to the last glass.

These Stoneware Casks are so neatly got up that they may stand on a shelf in any apartment, and nothing can be drawn therefrom without the key, which is handed on delivery. The empty is removed, and at the same time replaced by a full one, without any trouble to the purchaser.

The superior tonic properties of the Pale Ale, the rich nourishing quality of the Stout, and the purity of both, are highly appreciated by the medical profession.

SPECIAL NOTICE.

To meet the wishes of numerous customers, F. M'D. has, at considerable expense, erected Machinery for the Manufacture of a Standard Quality of LEMONADE, SODA WATER, POTASS WATER, SARSAPARILLA, GINGER-ALE, &c., &c., and is now prepared to execute orders for same. Delivered Free over a radius of several Miles.
